

# Handmade

Made with passion and  
quality yarns

Instructions for washing handmade garments: we refer to the band that wraps and distinguishes the balls of yarn used. Recommendations for care and washing are indicated on the product sheet of all **LanaOnline** yarns, which vary according to the composition of the yarn itself.

## So how to behave with a handmade garment?

There are some general indications that are of great help: you can find them at this link or by framing the QR Code alongside
